

Site Council Elections

The Jackson Site Council will hold elections in April 2009 to fill two vacant two-year parent/guardian representative positions for the 2009/2010 and 2010/2011 school years. If you are interested in serving on Site Council, please complete the nomination form below and return it to the Site Council Mailbox in the school office no later than March 20, 2009.

The Site Council consists of parent, teacher, community and staff representatives. At Jackson there are three parents, four teachers, a community representative, a classified employee and various staff members including the principal and vice principal. The Site Council is responsible for implementing state school reform legislation and coordinating the development and implementation of the school improvement plan.

Site Council represents an excellent opportunity for interested parents to work to improve the educational program at Jackson. If you have any questions, please contact the Site Council Chairperson, Jennifer Owen, at jennifero@comcast.net or 502 245-9212.
