Hello. I'm the parent of a current 8th grader, Cory, and an incoming 6th grader, Christian. I keep current on education issues locally and beyond and enjoy volunteering at my sons' schools—whether in the classroom, on field trips, or for projects, events, and fundraisers. I would appreciate the opportunity to become more involved at Jackson by serving as a parent representative on Site Council. My relevant experience includes past terms on Markham's Site Council and as Markham PTA secretary, as well as volunteering in the classroom and for a variety of PTA endeavors, including committee work.

Jackson is a vibrant, engaging place, and I'm enthusiastic about contributing to the ongoing conversation that seeks not only to foster it as a place of educational excellence but also as a caring community that provides a supportive environment for all students.

Thank you for considering my application to Jackson Site Council.

Background: I am married with two children, Payden and Lauren. Payden is an eighth grader at Jackson. He will be transitioning to Wilson High School next year. Lauren is a fifth grader at Capitol Hill Elementary School. She will be attending Jackson next year. I have a Bachelor of Arts in History from the University of Oregon with a minor in English. I was a paralegal for fifteen years prior to staying home with my family. I served on Jackson Site Council during the 2007-2008 and 2008-2009 school years.

Interests: I enjoy camping and hiking, gardening, reading and spending time with my extended family in Eastern Oregon.

Reasons for Interest in Site Council: I am a strong believer in public education and I try to look for meaningful ways to show my support. I enjoyed being on Site Council during a previous term and I would like to be a part of the continuing discussions, concerning goals and the School Improvement Plan. I think that my background is a strong one for serving on the Site Council and that serving on the Site Council would be a good way to stay involved at Jackson.
